For the attention of Mr. Ruben Fidalgo Dias

Dear Sir,

**DUBAI CREEK HARBOUR – THE TOWER
LETTER OF APPRECIATION TO BESIX AND UNIMIX**

Further to the successful completion of the first major pour on Layer 1, Zone 1 of the pile cap, I would like to extend our appreciation for your team's proactive approach to planning and executing this pour.

The level of professionalism and interaction of both the Contractor and Supplier was very evident and the main contributor to such a successful event.

Please extend our appreciation to Unimix Management, and look forward to similar experiences in the remaining Concrete pours.

Yours faithfully,

Stephen Cardwell
Project Director
