Dear Sirs,

SUB: **Renewed Operation Fitness Certificate**

Please find attached herewith the Operation Fitness Certificate No: 1477 for your premises. This certificate permits you to carry out only the operations mentioned therein. Prior approval must be obtained from Free Zone Authority for any additions, alterations, or modifications, which are not specifically approved in this certificate.

Please refer to the machinery list/chemical list sent by the relevant EHS officer for reference

Thank you very much and we look forward to your continued co-operation.

Yours faithfully,

**G.K.SINGH**  
**Manager-Operations**  
**Inspection Department - Trakhees**  
**Ports, Customs & Free Zone Corporation.**

**This Operation Fitness Certificate (OFC) is valid for the period of License validity or one year, (whichever is earlier) and a new OFC needs to be obtained prior to expiry, subject to applicable regulations and EHS requirements. An OFC will require to be amended wherever changes/additions are incorporated into the client's facilities/operations, for which the client must notify EHS well in advance. Any newly issued (amended/renewed) OFC supersedes the previous OFC.**
